

# Winning Wines *plus* The Brew Crew Folks

The Alberta Brewers Newsletter *FE BREW ARY 2019* [www.WinningWinesPlus.com](http://www.WinningWinesPlus.com)

## **IT'S FINALLY HERE!!!**

**Sherwood Park Winning Wines Plus** is transitioning to a Ferment on Premise (also known as Ubrew). We will continue our retail sales as we always have, but now you will be able to come into our store, pick a wine, then use our equipment and storage. And last but not least we'll give you a call or email you and you can come bottle it when it's completed.

Our store has been renovated and looks brand new, complete with our state of the art bottling area.

**We have already received our licence from AGLC and we will have you starting your batches of wine by February 1st.**

**PASS IT ON TO ALL YOUR FRIENDS!!!**
