Happy St. Patrick's

17 % OFF all products with the colour green on them. 15th to the 19th March only.

Yes, most wine and beer kits have **green** on them. A few exceptions apply. Details in store. March sales page not valid during the 17 % off promo.

CHEERS TO KOLSH!

Our limited release has arrived just in time for summer

This classic German-style lagered ale is cold fermented like lagers, dampening fruitiness and escalating brisk refreshment. It pours light straw in colour with a big fluffy, white head and boasts aromas of light floral and spicy notes. Its malt and hop profiles are moderately low, but perceptible.

We have multi award winning products, staff and service.
