HOLIDAY WISHLIST

BOTTLING EQUIPMENT

Cut your Bottling time in half with these items!

TAP ASSEMBLY

Attach this to your primary and use it for bottling. Better yet, attach it to a separate bottling pail and keep those primaries free for starting more products.

AUTO SYPHON

By far the easiest way to syphon product from one container to another. As a bonus it fits nicely in a Christmas stocking!

BOTTLE WASHER

Tired of rinsing bottles? Screw a bottle washer onto your faucet & wash your bottles productively.

BOTTLE STERILIZER

Get those bottles ready for filling quickly. The fastest & easiest way to sterilize your bottles.

BOTTLE TREE

Drain your bottles of all the excess water. A bottle tree also makes the most efficient use of your counter space with its tall, tree shape. Rotating models also available.

WINE RACKS

Your bottles should always be kept on their side and in a cool dark area. Invest in a wine rack. There are lots of styles and sizes to choose from in metal and wood!

WINE KITS

TOOLS

Some tools to keep your hobby fun!

THE THIEF

The easiest way to take samples to see how your fermentation is progressing and for tasting. Thief & test cylinder in one.

CARBOY HANDLES

Carboys can be cumbersome and carboy handles are a great help for washing and carrying.

CAPPERS AND CORKERS

The essentials in your home brew tools! Upgrade a 2 handle corker or capper to a stand model.

BUON VINO MINI JET WINE FILTER

Create that professional looking wine with the best home wine filter system on the market today! Polishing your wine by filtering achieves the clear brilliance your wine deserves.

Better Bottle Carboy

New light weight clear PET carboys. Slick easy to clean interior lining. Almost indestructible.

Syphon Assembly

For less than \$5 get a complete new assembly. Includes rod with anti sediment pickup, hose and clamp.

GIFTWARE

For the brewer who has everything!

VINTURI WINE AERATOR

The quickest and neatest way to open your wine up to full potential. One of Oprah's 9 best gifts of the year.

WINE SAVER / DEGASSER

Carbon Dioxide will give your wine metallic, off flavours. Remove that gas from your carboy using this pump. It also allows you to store unfinished bottles of wine in the fridge for up to 2-3 weeks.
